

GOVERNMENT LAND DRAWING

AND

75,000 Acres of the Best Alfalfa, Potato and Small Grain
Crop Land in the State of Nebraska

To be Sold at Auction at Alliance, Box Butte County, Nebraska

MARCH 22 TO 29, 1916

This Land Will be Comprised of Improved Farms, Ranches and Unimproved Lands

Why put in your entire time for practically a meal ticket on another man's place when it is possible for you to come to the best country out-doors and buy your own home, on easy terms at a very low rate of interest on deferred payments. Throw off that old yoke, be independent and come to the promised land, where the air is pure, the water is fresh and the soil is as fertile as any in the country; all it needs is a good farming.
